

The diagram illustrates a gas distribution system with the following components and connections:

- 41701**: A vertical pipe section at the top left.
- 900900**: A horizontal pipe section with a valve, connected to the vertical pipe.
- 34118**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 31419**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 5325101**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 30035**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 900630**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 43361**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 31245**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 5325103**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 5325101**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 900630**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 43361**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 31245**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 53251**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 34118**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 31419**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 5325121**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 30035**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 30090**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 42257**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 30277**: A horizontal pipe section with a valve, connected to the main horizontal line.
- 39396**: A horizontal pipe section with a valve, connected to the main horizontal line.
